Buenos Aires, Argentina (GMT-3) • +54 9 11 689116607 • leilacenteno@gmail.com • linkedin.com/in/leilagcenteno

SUMMARY

Project Manager with 4+ years leading end-to-end project management and IT deployment projects for US-based clients, from 7-person teams to 200+ employee organizations. Experienced in cross-functional team coordination, stakeholder management, risk mitigation, and technical project implementation. Remote-experienced, based in Buenos Aires (GMT-3, full overlap with US business hours).

CORE SKILLS

- Project Management | Cross-Functional Team Leadership | Stakeholder & Vendor Management
- Risk Mitigation | Project Implementation | Agile Fundamentals | Client Lifecycle Management | Remote Team Management

EXPERIENCE

Project Manager | *Interlaced (IT Company)*

March 2024 - Present

- Own end-to-end deployment of enterprise IT and cybersecurity solutions for US-based clients ranging from 7 to 200+ employees
- Direct a cross-functional delivery team of 7, managing 25–30 concurrent projects on average
- Led 40+ client onboardings since 2025, with an average cycle of 30–45 days depending on organization size and complexity
- Manage complex client transitions, including account offboarding and vendor handoffs, ensuring continuity and zero service gaps
- Execute technical migrations and vendor coordination across enterprise platforms (email, SharePoint, licensing) with zero data loss
- Maintained an NPS of 10 across the client portfolio over the past year
- Additionally covered the Client Success Manager role for 5 months during a hiring gap, managing both PM and CSM responsibilities simultaneously

Customer Success Manager | *Puntorojo (Marketing agency)*

July 2022 - February 2024

- Managed a portfolio of 15–20 client accounts, owning the relationship from strategy through renewal
- Delivered monthly reports and quarterly roadmaps as primary point of contact for account strategy
- Drove client advocacy, securing completed Clutch reviews from 7 of 15–20 active accounts

Customer Support Specialist | *Tiendanube (E-Commerce company)*

October 2020 - July 2022

- Managed ~45 daily support tickets with sub-5-minute response times, maintaining service during peak e-commerce events (Hot Sale, Black Friday, Cyber Monday)
- Trained and onboarded 4 new-hire cohorts (~28 people total)
- Collaborated directly with development teams to identify, document, and resolve bugs

TOOLS

- CRM: Intercom, Zendesk, HubSpot, ConnectWise
- Project Management: Asana, Monday.com, Notion, Rocketlane
- Google Workspace, Slack

EDUCATION

- Bachelor's Degree in Tourism & Hospitality Management — UADE (2021)
